

A large, dark cross is formed by a dense stream of falling particles, possibly seeds or dust, against a bright, cloudy sky. The particles are falling from the top of the frame, creating a sense of motion and depth. The cross is positioned on the right side of the frame, with its vertical stem extending from the top to the bottom, and its horizontal bar extending from the stem towards the left. The background is a bright, overcast sky with soft, diffused light. The overall mood is contemplative and dramatic.
